29 September 2021: for immediate release

Calling all AHPs and healthcare scientists: launching the Advancing Healthcare Awards 2022

Allied health professionals, healthcare scientists and those who work alongside them in support roles across the UK, have until 11 January 2022 to enter the Advancing Healthcare Awards, the unique awards programme which crosses boundaries and fosters partnership working.

The awards will be presented at a live ceremony on 8 April 2022 at the Victoria Park Plaza in London.

The 2022 awards are:

Awards open to AHPs and healthcare scientists

- NHS Employers award for outstanding achievement by an apprentice, support worker or non-registered technician in an AHP or healthcare science service
- Welsh Government's award for Value Based Care: making best use of resources to maximise outcomes
- The award for outstanding contributions to public health
- Chamberlain Dunn Rising Star award

Awards open to healthcare scientists

- Academy for Healthcare Science award for inspiring the healthcare science workforce of the future
- Academy for Healthcare Science award for Clinical Research Practitioner leadership
- Institute of Physics and Engineering in Medicine award for innovation in healthcare science
- Biomedical Scientist of the Year award sponsored by the Institute of Biomedical Science

Awards open to AHPs

- The AHP Clinical Leadership award sponsored by Attend Anywhere and Induction Healthcare
- The Northern Ireland Government's award for reform and rebuild of health and social care service post COVID-19
- The Chroma award for AHPs, including arts therapists, working with people who have mental health problems
- British Association for Music Therapy award for music therapists who are developing innovative ways of providing effective music therapy.
