

Winning that Award!

4th June 2025

Advancing Healthcare Awards Northern Ireland 2025

Masterclass in how to apply and how to present your project

Presenting & Showcasing Your Work with Impact

The HSC Leadership Centre, in collaboration with the Department of Health is delighted to invite you to a Masterclass on:

'Presenting and Showcasing Your Work with Impact'

What is it?

The session will include practical exercises on how to profile your work, showcase your impact as well as complete an application for the AHA Awards with a clear impact statement on your project. You will also learn how to structure and deliver an effective and impactful presentation. The session will include input from former judges on what they look for in successful applications and presentations. Learning from the session can be applied both in award applications and also in influencing senior policymakers and stakeholders.

If you are a Healthcare Scientist or employed in one of the Allied Health Professions and wish to enter this year's awards, please come along to the workshop. There is no charge to your organisation.

Wednesday 4th June 2025
10am-3pm
